**Amherst, MA**  
**Project No. 3010**  
**December 1, 2011**

## **ADDENDUM NO. 3**

The original specifications dated October 21, 2011, are hereby amended as follows. Receipt of this Addendum shall be acknowledged by inserting its number in the space provided on the Bid Form. This Addendum consists of 3 pages.

### **CHANGES TO SPECIFICATIONS & DRAWINGS**

<b>Item #</b>	<b>Section</b>	<b>Description</b>
3.01	Dwg. A4.1	Drawing 15, "Section at Stair" and Drawing 14, "Stair Plan": <b>Delete:</b> references to "Clear Finish" and "Anti-slip stair tread tape," and <b>Substitute:</b> "Rubber Treads and Risers"
3.02	08210	Part 2 Products, A: <b>Change</b> the spelling of "Alleghany" to Allegheny", and <b>Add:</b> website "www.solidhardwooddoors.com/HTML/RusticWoodDoors.html"
3.03	Dwg. A4.2	Elevation 10 Kitchen West: <b>Add</b> text note at serving counter: "Counter top of 22 ga. stainless steel sheet, with turned-down edges, on plywood substrate."
3.04	Dwg. A1.1	<b>Add:</b> detail of exterior cedar deck, to be constructed to the north of Workshop 121, as illustrated on "Attachment A"

### **CLARIFICATIONS**

A.	Tackboards: All tackboards/display boards are supplied and installed by Owner
B.	Casework: All casework & countertops are supplied and installed by Owner, EXCEPT for assemblies in restrooms and the Kitchen-to-Community room serving line/pass-through counter.
C.	Paint Colors: One color, only (white) for all interior surfaces scheduled to be painted - GWB walls, ceilings, trusses, sheathing, trims, wainscot, barn boards, etc.
D.	Barn Board Wainscot: For rooms scheduled with wainscot, but not shown on interior elevation drawings (i.e., Distribution, Reception, etc.), assume barn board wainscot extends 3'-0" above finish floor.
E.	Finish for landscape elements: "... shall be treated with two coats of water-based clear solution to provide UV protection, drying to a clear flat finish." See Section: 02930 Site Improvements: 2.1 Wood fence and gate - section A7 Solid board fence 2.1 Wood fence and gate - section B8 Shadowbox fence 2.4 Wood bollard and chain - section C 2.6 Signage - section A1 Finish for front entry pergola: constructed of cedar elements, painted (white)
F.	Window Trim, on interior walls (not pertaining to skylights): Provide drywall returns on interior of windows, as shown on Details 11, 12, 13, 14 on Drawing A2.1 Exterior Elevations. Disregard/ <b>Delete</b> illustrations of wood trim shown on interior elevation drawing A4.3

G.	Paint at FRP panels: Prime GWB walls behind FRP wall panels.
H.	Bid date remains as per October 21, 2011 Specifications: "Section 00010 Invitation to Bid: General Bids will be accepted until 2:00 p.m., Wednesday, December 7, 2011"
I.	Front entry railing to be cedar, painted, configured as shown on Drawing A2.1, Exterior Elevation #6 - West. <b>Delete</b> railing detail "9 - Handrail" from Drawing L5 Site Details.
